Testimonials

Dear Henry, Christine, Pat, et al,

Re: Invoice 5542 of 25/9/'12.

My Father is still hospitalized and currently too ill to settle the invoice himself, so I am submitting the final balance as his proxy via the enclosed cheque.

I would like to take this opportunity to thank you on behalf of all the family for the work that you have done creating Mum's memorial stone and for the kind attention you have all given us throughout.

The stone is quite lovely and we can easily see why it is called butterfly marble; the reverse of the stone appears to have a flock of them resting on its surface.

The inscription is perfect and the rose embellishments are beautiful – a fitting tribute to Mum.

Please feel free to use this letter as a testimonial to the quality and value of your work.

Thank you,

Yours Sincerely,

Thankyou all very much
We are over the moon
with mums headstone
